## Congratulations Basketball teams! (New)

Congratulations to all the Village School Basketball teams! The Middle School A/JV Boys are off to a great start, beginning their season winning every Middle School A and JV level game. The team also matched up against a Varsity team for the first time and played hard but came up just short. The Lower School teams are also up and running and already have two games under their belt. Possibly the biggest surprise this season so far is the Middle School B girls team. With only five players on the team, last week the team travelled to Seacrest and won by one point! Keep it up, Village School Basketball teams!
