6th-11th grade ONLY:

Beginning with the 2018-2019 school year, we are now using www.AthleticClearance.com to submit **ALL paperwork required** to participate on a Knight Athletic Team for student-athletes in **grades 6th-11th**. Attached to this email are the instructions to create an account and use the website. Most of the forms are available to sign electronically. The only two forms that must be downloaded, completed by hand, then uploaded to the website are the FHSAA physical examination forms (EL2) and the VS Sports Release form. IF YOUR CHILD HAS ALREADY PARTICIPATED IN A SPORT THIS YEAR, YOU HAVE ALREADY CREATED AN ACCOUNT ON ATHLETIC CLEARANCE.

As a reminder, all student-athletes will need to have all required paperwork submitted to the Athletic Office (through the AthleticClearance website) prior to them being able to participate in the start of practices.

Any questions, please contact Kristi English at kenglish@tvsnaples.org.
