

The Village School's Rising Pre–K3 Summer Activities Packet 2023

Dear Parents,

We would like to share various books, nursery rhymes, and songs for your children to enjoy over the summer and help them prepare for Pre-K 3. Nursery rhymes and songs can be found on YouTube. Also, we encourage you to help them enhance and reinforce their basic fine motor and self-help skills. You may incorporate the learning process through fun indoor and outdoor games and plays.

Wishing you a great summer!
Pre-K 3 Teachers
